VFW hosts Christmas party

Photo by Dan Sanderson

Members of the Carl Borchers Post of the V.F.W. #3736, and the Ladies Auxiliary, held a Christmas Party at the America Legion Hall last week. Special guests for the party were the families of the 107th Engineering Battalion based in Ishpeming, which is currently serving a mission in Iraq. Crawford County Library Director Bambi Mansfield-Sanderson read Christmas stories to the children, who were also given sock monkeys through "Operation Sock Monkey," the library's initiative to support the families of troops serving the country. Above, Abigail Wakeley, 3, receives a gift from Santa at the party.

City works on ordinance overhaul

by Dan Sanderson
Staff Writer

Grayling City officials are updating the city ordinances to clarify the rules and regulations used to govern the community.

The city ordinances are being codified so that the regulations are kept in an efficient and complete form for the citizens and city officials to understand.

Each ordinance is being reviewed by city officials and Municipal Code, a Tallahassee, Fla. firm, to make sure the ordinances are clear, comprehensive and comply with state laws, said Grayling City Manager David Thayer.

City officials are discovering the some of the ordinances are outdated and lack enforcement mechanisms to bring issues into compliance.

There are also ordinances that deal with similar issues, making it difficult to determine which regulations should be enforced, Thayer said.

The Grayling City Council will adopt each ordinance as it is updated. The outdated ordinances will be repealed sometime next year, and the new ordinances will then go into effect.

"The changes won't be that

City housing commission to take on expanded role

by Dan Sanderson
Staff Writer

Grayling City officials are revamping the city housing commission.

The main directive for the Grayling Housing Commission is to manage the property where the Crawford County Senior Center is located and the federally subsidized apartments located by the senior center.

Grayling City Manager David Thayer said city officials are seeking to have the housing commission work on initiatives to improve the quality and quantity of housing in the community.

First, Thayer said the housing commission would apply for grants in order to provide funds to homeowners to rehabilitate and repair their homes.

The city may also try to establish a pool of money that would be used to help homeowners add on to their homes or build new homes. The funds would be used to provide jobs for local contractors, and would also replace homes that do not meet state or federal standards for the required amount of living space.

Playground planned at Hanson Hills

by Dan Sanderson
Staff Writer

While Hanson Hills is gearing up for the busy cross country and downhill ski season, officials are also focusing on a new playground addition at the recreational area.

Fund-raising efforts for a new playground at Hanson Hills are about to get underway.

The Hanson Hoppers Park will be located next to the fishing pond at the recreation area, adjacent to the existing playground equipment and ball fields.

Joni Duncel, who became the program director at Hanson Hills earlier this year, took on the development of the playground as part of one of her first undertakings.

Library celebrates Night Before Christmas

Photos by Dan Sanderson

About 40 people attended the fourth annual Night Before Christmas celebration at the Devereaux Memorial Crawford County Library last Thursday. Children were encouraged to wear their pajamas as they sat around the fireplace at the library, singing Christmas carols and listening to stories. Above left, Jane Gyulveszi, the library program director, helps Makenna VanAmburg, 8, make a Christmas ornament. Above right, Sgt. Sock Monkey, the library's mascot for its program to support the families of troops deployed to fight the war on terrorism, visits with the children. Fire damages home on Bailey Lane

A Grayling Township home was damaged by a fire last week, making the structure unlivable.

Grayling City/Township Fire Chief Russell Strohpaal Jr. said firefighters responded to a structure fire, located at 1760 Bailey Lane, at 6:30 a.m. on Wednesday, Dec. 12.

Upon arrival, firefighters observed smoke coming through the attic vents and eaves. Interior attack crews observed medium

fire conditions in the kitchen of the home.

The fire took about three hours to extinguish. The fire was contained to the attic and kitchen area, but the home sustained heavy smoke and fire damage, said Travis Roberts, the Grayling City/Township Fire Department's fire marshal and inspector.

The home is owned by Phil Stancil, of Grand Rapids, who recently rented the dwelling to tenants. There were no injuries at the scene, Strohpaal said.

The cause of the fire remains under investigation, Roberts said.

Firefighters were assisted by the Frederic Township Fire Department, Mobile Medical Response and the Crawford County Sheriff's Department.

Troopers find stuck snowmobiler in woods

State Police helped locate a handicapped snowmobiler, who has been stuck in the woods for several hours, on Saturday.

Troopers from the Houghton Lake Post of the Michigan State Police were called to search for the missing snowmobiler at 6 p.m. on Saturday.

Greg Smith, of Saginaw, told police that his paraplegic son, Jeffrey, 30, had gone for a snowmobile ride, around 1 p.m. in the Elbow Lake area in Clare County's Franklin Township, and had not returned.

Troopers responding to the call made contact with Roger

Sylvester, who had been hunting in the area and said he thought he had heard some yelling when he was in his hunting blind, but believed it was just snowmobile riders.

Sylvester took troopers back to the location of his hunting blind, where Jeffrey was found approximately 150 yards away, after he responded to calls from the troopers.

Jeffrey was located about 7 p.m. in a location where he became lodged on a tree while attempting to turn around in a wooded area. He had been stuck for about six hours. Sylvester took Jeffrey out of the woods on his snowmobile. Jeffrey was taken to MidMichigan Medical Center in Clare, where he was treated for exposure to the winter weather.

Troopers were assisted by officers from the Department of Natural Resources, the Richfield Township Police Department, the Gerrish Township Police Department, the Roscommon County Sheriff's Department and the Clare County Sheriff's Department.

ALMANACK

by Richard Milliman

Presidential politics nears crucial stages

PRESIDENTIAL POLITICS is creeping toward us at a galloping pace.

The crucial stages begin in earnest in only a couple of weeks, with the Iowa caucuses kicking off the schedule on Jan. 3 — four days before the national college football champion is crowned.

On Jan. 7 in the BCS Bowl in New Orleans, will it be Ohio State or Louisiana State as national champ?

On Jan. 3 in the Iowa caucuses, will it be Mitt Romney, Rudy Giuliani or Mike Huckabee? Or Hillary Clinton, Barack Obama or John Edwards?

Presented herewith are selected personal musings about some of the candidates and their races for president.

MIKE HUCKABEE — The former Arkansas governor has hurtled to the forefront in both Iowa and national polling, despite scant money and skeletal organization.

"There's only one explanation for it," Mr. Huckabee said, "and it's not a human one."

I suggest a more earthly reason for Mr. Huckabee's surprising

surge — a "none of the above" sentiment among those polled.

But is America ready for another southern governor — especially one from Arkansas, and a Baptist minister to boot — as president?

FRED THOMPSON — The former Tennessee senator may have waited too long to get into the Republican race. His candidacy has not caught fire. If Mr. Thompson was hoping for "none of the above" support, Gov. Huckabee seems to have cornered the market.

RON PAUL — The Texas congressman appeals to mavericks and has made headway on the fringes of the GOP picture. But how many maverick Republicans are there?

MITT ROMNEY — Mitt Romney's Mormon religion has become an obstacle for his candidacy. It was not that way when his father, George Romney, first ran for governor of Michigan, and again for presidential nomination in 1968, when his Mormon religion was stated, but not seriously questioned.

Forty years later, Candidate Mitt Romney chose to deliver a major speech defending his views on religion. From most published reports, it was a fine speech, dealing more with religion and democracy than with his Mormon beliefs.

But why should any candidate for public office feel obligated to defend choice of religion? If Mitt Romney because he is a Mormon, why not Mike Huckabee, an ordained Baptist minister? Why not every candidate who claims to practice any religion, or more importantly, those who don't?

We seem to have regressed on the religious freedom front in the last 40 years.

JOHN MCCAIN — Michigan supporters of Sen. John McCain are hoping for a repeat of eight years ago when he upset Texas Gov. George Bush in the 2000 GOP primary.

That was then and this is now. Eight years ago, Democrats had no primary, and many Democrats along with independents cast Republican ballots to vote against Mr. Bush and embarrass Gov. John Engler who had

promised Michigan to the Bush camp.

In 2008, John McCain is not the fresh face, the non-establishment crusader he seemed eight years earlier, and it's unlikely he'll win the Michigan primary this time.

HILLARY CLINTON — If she wins the nomination Sen. Hillary Clinton likely will draw considerable support just because she is a woman. However, many voters likely will vote against Hillary Clinton just because she is a woman. I suspect the blind pro-woman votes will be canceled by the blind anti-woman votes, and gender will not be a deciding factor in who becomes president. I'd like to see an informed poll on this question.

BARACK OBAMA — The emergence of Oprah Winfrey on the Obama campaign trail is viewed as a cataclysmic development in presidential politics. Not so. Glamorous movie stars and entertainers long have campaigned openly for their favorites, often on the Democratic side, and Republicans have answered with

their own glamour backers. The difference here is that Oprah Winfrey has become an almost universal icon, and has such a huge following, mostly among women, who might be swayed from the Clinton camp by her eminence. Oprah certainly is a plus for the Obama campaign.

JOHN EDWARDS — John Edwards has trotted out his own celebrity supporters. Actors Tim Robbins and Kevin Bacon both expect to beat the Iowa bushes for Mr. Edwards. Mr. Robbins and Mr. Bacon are competent actors, but they're no Oprah.

HALF PRIMARY — The Michigan primary, trailing the Iowa caucuses and New Hampshire primary by a few days, is really a half-primary. Republican voters can choose among a full slate, while Democrats offer only a half-slate.

For Democrats, it will be Hillary Clinton, Dennis Kucinich, Mike Gravel or Chris Dodd. As an option, Democrats could vote in the Republican primary and pick the candidate they figure is the weakest, but there are some drawbacks.

Each state party will receive free of charge the complete list of primary voters who cast ballots for that party, providing handy lists for campaign mailings, pleas for contributions, and political phone calls for several years.

The limited candidate choices, plus the mandatory party lists, could hold down the turnout. Several friends have told me they are not going to vote, citing one or both of those reasons. In addition, Jan. 15 is not a usual date to go to the polls around here.

A win in Michigan really won't mean much for Ms. Clinton, but the relative showing among Republicans could have considerable impact on what happens next.

REAL QUESTION — All this early political campaigning leads to its real impact: Who will emerge as candidates for vice president?

Some snowmobilers have no respect

To the editor:

I am angry that snowmobilers have no respect for personal property.

At least a couple of snowmobilers, in the past day or so, have clearly driven through our neighbor's front yard and our front yard.

They drove over our neighbor's bush, pretty much destroying it, and drove over our young

maple tree. It is still standing, but it will never fully recover.

The disturbing thing is that there are snowmobile trails and open fields for them to ram and jam with their snowmobiles.

I would like to see the snowmobilers get the word out that it isn't cool to destroy or almost destroy personal property.

VIEWPOINT

By Sheriff Wakefield, Crawford County Sheriff

Tips for snowmobile safety

Due to the early onset of winter conditions this year, Sheriff Wakefield reminds snowmobile riders to take extra precautions on the new fallen snow. Because it can take two weeks or more of below freezing temperatures for the ice on lakes, streams and ponds to freeze thick enough to support a snowmobile, Sheriff Wakefield urges riders to stay off the ice.

Further tips from Sheriff Wakefield:

Always keep your machine in top mechanical condition.

Always wear insulated boots and protective clothing, includ-

ing a helmet, gloves and eye protection.

Never ride alone.

Avoid, when possible, crossing frozen bodies of water.

Always be alert to avoid fences and low strung wires.

Never operate your snowmobiles in a single file line when crossing frozen bodies of water.

Never operate your snowmobile on a street or highway.

Always look for depressions in the snow.

Keep headlights and taillights on at all times.

When approaching an intersection, come to a complete stop,

raise off the seat and look for traffic.

Always check weather conditions before you depart.

Never operate your snowmobile on railroad tracks.

Never operate your snowmobile while under the influence of alcohol.

Snowmobiles must abide by the same regulations as drivers

and Sheriff Wakefield will have his deputies out on patrol to make sure Crawford County residents stay safe this winter.

While Sheriff Wakefield hopes that nobody riding in Crawford County will find himself or herself in such a precarious situation while riding a snowmobile, by heeding the warnings above he knows you can stay alive.

First culture confirmed influenza case reported of the season

According to Dr. James Wilson, Medical Director for District Health Department #10, the first culture confirmed influenza case has been reported for the 2007/2008 flu season.

Influenza B was isolated from a nine year old in Marquette County recently.

The 2007-2008 influenza season is just beginning. There is still a supply of flu vaccine at the Health Department. Vaccines will be given through the month of March, and possibly later, depending on the influenza activity.

By getting the flu shot, you not only help protect yourself but you can help protect high risk people around you. The more people who get the vaccination, the more people that develop "herd immunity," which means those who have the shot "will help prevent the most vulnerable people - the sick, the elderly and children -

from coming down with influenza. This could help save them from sickness, hospitalization or death," Wilson said.

Due to the vaccine being processed in eggs, those with allergies to eggs should check with their doctor before receiving the shot.

While Wilson encourages everyone to get the vaccine, he said it is especially important for pregnant women, adults, the elderly, children older than 6 months old and people living in a household with an infant, to receive the flu shot. Health officials recommend getting the flu vaccine annually because the flu bug changes a tiny amount every year. While the shot is not 100 percent effective, Wilson said "It's the best defense that we have."

Call your local health department, if you have any questions. The number for Crawford County is 989-348-7800.

January blood drives to be held

Two blood drives will be held in Grayling during the month of January. On Wednesday, Jan. 2, a blood drive will be held at the Grayling American Legion, 106 James St., Grayling, from noon - 5:45 p.m. and on Friday, Jan. 4, a blood drive will be held at St. Mary's Family Center, 707 Spruce St., from noon - 5:45 p.m.

The need for blood never takes a holiday. Hospital patients need blood daily for the treatment of cancer, serious diseases, surgeries, accidents and trauma.

Blood shortages are typical during the winter holidays. People get busy with holiday activities and travel and don't take time to give blood. Snowstorms and cold weather adversely affect donor turnout.

Conversely, demand for blood can rise with increased roadway and vacation-related accidents.

Previous winter shortages have been as severe as 15 to 20 percent below desired levels.

Michigan's Red Cross considers a three-day supply safe and

adequate for meeting the needs of hospital patients in hundreds of Michigan hospitals. A five to seven day supply is considered optimal.

You can help. Encourage someone to give the gift of life for the holiday season. Make an appointment to donate blood at a blood-drive near you.

The American Red Cross holds blood drives daily, from the Michigan-Ohio border to the Canadian border in Sault Ste. Marie.

To donate blood, one must be 17 or older, weigh 110 pounds or more and be in general good health.

Donors may give whole blood up to six times per year, or every 56 days.

Call 1-800-GIVE-LIFE, or visit www.redcrossmichigan.org, for an appointment or more information.

Grandparents raising grandchildren program offered at senior center

Grandparents Raising Grandchildren ... Back On Duty, is a 16 week program offered Mondays, Jan. 7 through April 21, from 9:30 a.m. to 11:30 a.m. at the Grayling Senior Center.

This program is designed to inform and support grandparents who have questions about their unique role as primary caregivers for grandchildren.

Topics such as legal and custody issues, disciplinary and parenting skills and communication and health care concerns will be addressed.

Grandparents Raising Grandchildren ... Back On Duty is jointly sponsored by Crawford County MSU Extension, Crawford County Commission on Aging, NEMC-SA Head Start and COOR CTC Educational Occupations Program.

Millions of grandparents have returned to the role of parent. They have stepped in to breach

the gap and rescue children from a variety of situations.

The stress that grandparents have as repeat parents is quite different from the routine kinds of stress accompanying raising children. Grandparents recognize the critical role they are expected to play in the re-parenting of their grandchildren, and, importantly, they sincerely want to succeed.

Grandparents Raising Grandchildren ... Back On Duty is a program designed to provide grandparents with valuable information in a supportive and caring environment.

The program is free for participants and childcare is provided for those with children not in school. Activities for the children will be provided by COOR CTC Educational Occupations Program students.

Enrollment, which is required, can be done by calling the Crawford County Commission on Aging at 348-7123.

The Bible Speaks

Sin & Grace Contrasted

"23For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." (Romans 6:23). This summary statement of Romans 6 compares to the summary statement in Romans 5: "21That as sin hath reigned unto death, even so might grace reign through righteousness unto eternal life by Jesus Christ our Lord." This verse closes the central argument of Romans 6. Shall we as Christians continue to live in sin after we are saved. The entire chapter gives a resounding NO!

Many people want to blame God for their sin problems. They try to change the character and conduct of God toward sin. They try to deny the identity of sin. They try to deny both death and hell as end results of sin. But God would neither be holy, just, or true if He treated sin differently today than He always has. Sin pays wages to those who serve sin. God's Holy law reveals the condemnation and judgment promised for sin. People who die in their sins receive their own just rewards. They have no one to blame but self. "11Woe unto the wicked! it shall be ill with him: for the reward of his

hands shall be given him." (Isa. 3:11). God said in Ezekiel 18:4: "4Behold, all souls are mine; as the soul of the father, so also the soul of the son is mine: the soul that sinneth, it shall die." "7Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap. 8For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting." (Gal. 6:7,8).

Our salvation by God's grace is in stark contrast to our sin. "...but the gift of God is eternal life..." While we deserve the pain, problems, and punishment as wages earned by our sin, we do not deserve or merit God's grace in any way. Eternal death in Hell is earned, but eternal life in Heaven is a gift of God. "17For if by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in life by one, Jesus Christ." (Rom. 5:17). Just as Adam gave us sin and death, even so faith in Jesus Christ gives us forgiveness of sins through His blood, imputed righteousness by His life, and eternal life by His resurrection.

All of this is only possible through faith in the person, work, and word of our Lord

Jesus Christ, or, "...through Jesus Christ our Lord." "36He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him." (John 3:36). "26Men that have hazarded their lives for the name of our Lord Jesus Christ." As "Lord" He is our authority, our controller, our coming King. As "Jesus" He is our Savior as Matthew 1:21 says: "21And she shall bring forth a son, and thou shalt call his name JESUS: for he shall save his people from their sins." As Peter said in Acts 4:12: "12Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved." As "Christ" He is the anointed Messiah promised in the Old Testament.

This is the central story and meaning of Christmas: "16For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." (John 3:16). "15Thanks be unto God for his unspeakable gift." (2 Cor. 9:15). Do you know Him? Pastor "B"

Sunday night Christmas service to take place in historic church

On Sunday evening, Dec. 23, a very special church service will be held in the historic Stittsville Church, which is located at Wellington Farm Park, near Grayling on Military Road.

The service is open to all denominations and will be patterned after a typical Christmas Eve church service of 75 years ago.

The service will begin at 7 p.m., but those attending should plan extra time for the trip into the park.

No admission will be charged, however, there will be a free will offering taken during the service. All monies derived will be dedicated to the continued restoration of the church.

The Stittsville Church was constructed in the community of Stittsville in the mid 1880s.

It served its community well for a century, but as the congrega-

tion dwindled, there came a time when those attending could no longer maintain the building and it was abandoned.

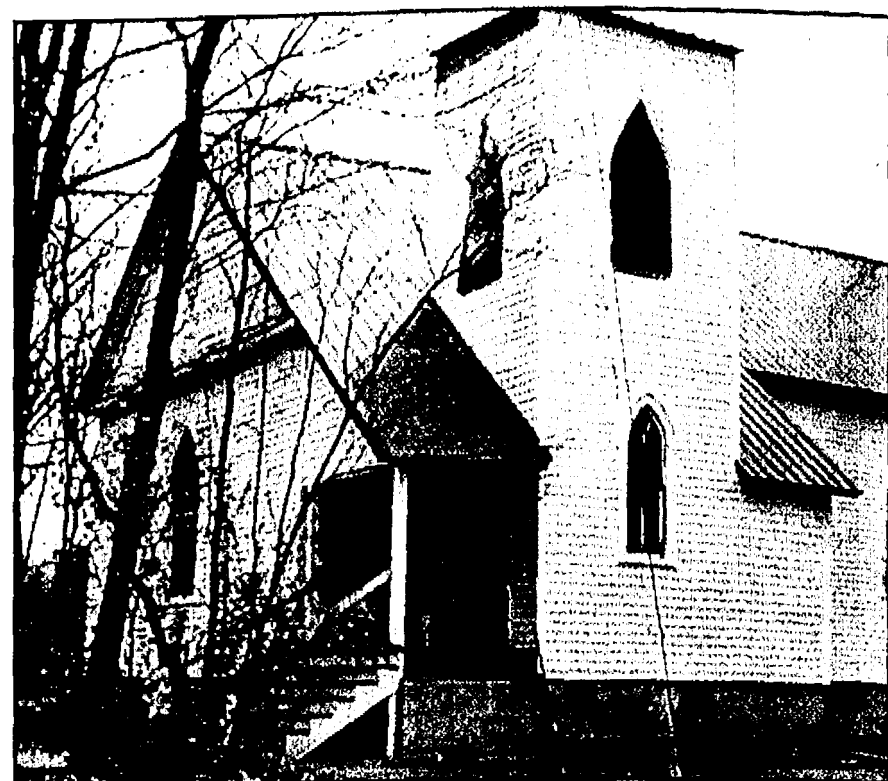

It became the property of Norwich Township and, in 2003, a decision was made to destroy the building.

Members of the old congregation asked the township to seek other alternatives and thus, in 2005, the historic building was moved to Wellington Farm Park, where it is being restored to its original 1880s appearance.

Much work has already been accomplished.

A momentous event will take place sometime during the 2008 season, when the remaining 28 feet of belltower, including the 1200 pound bell, will be hoisted into position atop the structure.

The church has been without a spire since the original one was removed in the 1950s during a

remodeling project.

The Sunday evening service will provide community members

an opportunity to see the progress that has been made in the restoration of this historic building.

Playground planned at Hanson Hills

Continued from Page 1A

The playground will feature state-of-the-art equipment including a bongo jungle climber, incline spider climber, twisted vine climber and a power peddler.

The roofs on the play decks will look like tree tops, and equipment will also include a log roller, hollow log slide and a hollow log climber to fit into the history of Hanson Hills and the logging heritage of the community.

"We wanted to make it look as rustic and natural as possible to fit in with our surroundings," Dunckel said.

The playground will replace the existing equipment at Hanson Hills.

"Most of the equipment we've actually taken out because it's just not safe for kids," Dunckel said.

The playground will be available to everyone in the community and for children of adults, and siblings of youth, who take part in the Grayling Recreation Authority's softball, soccer and

flag football leagues. In addition, a horseshoe league and adult flag football league are also being started at Hanson Hills.

Children who live in the Karen Woods, Sherwood Forest and Lake Margrethe Boulevard subdivisions would also be able to utilize the playground.

"For them to go to a park, they have to go all the way into town," Dunckel said. "There is a large concentration of kids out here, and we need a park that they can safely get to."

Dunckel took input from children while selecting the playground equipment. Miracle Recreation of Michigan, the same firm that supplied playground equipment for the Grayling Township Nature Park and the Beaver Creek Township Park, is the vendor for the equipment.

The first phase of the playground will cost about \$46,950.

The Grayling Youth Booster Club and Grayling Rotary Club have each given \$1,000 for the project. A \$2,500 grant was also received from the Great Lakes

Energy People Fund.

The Grayling Recreation Authority Board has pledged \$15,000 to develop the playground. Four by four bricks, which cost \$100, and eight by eight bricks, which cost \$200, are also being sold to help make the park a reality.

"The names of the donors will be put on the bricks for a path that will go through the park," Dunckel said.

A dance to raise funds will be held as part of Hanson Hills' Winter Fun Days, in the former archery building, on Saturday, Feb. 2. The dance will be open to middle school students from 6 p.m. to 8:30 p.m. High school students will be able to attend the dance from 9 p.m. to midnight.

Hanson Hills will save about \$10,000 on the purchase and installation of the equipment, since Col. Dean Brown, the commander for Camp Grayling, has pledged equipment and troops to help assemble the playground.

"They have been very helpful," Dunckel said.

Dunckel hopes to have the playground project completed by June, in time for the day camp held at Hanson Hills.

A second phase for the playground project, estimated to cost \$39,200, will include an area for toddlers that will feature balance beams, spring riders, swing sets and an eight-foot rock wall. Picnic tables, grills and benches will also be added as part of the second phase of the project.

A third phase, estimated to cost \$65,000, will include construction of a picnic shelter and rest rooms.

Adding the playground is one of the initiatives that Hanson Hills is pursuing to encourage more people to utilize the recreation area.

"We do a pretty good job during the winter months, but we have not attracted the people like we would like during the summer," and this is one way to encourage that," said Chris Jones, chairman of the Grayling Recreation Authority Board of Directors.

City works on ordinance overhaul

Continued from Page 1A

dramatic," Thayer said. "There are a lot of clarifications."

Many of the ordinances being updated were established by city officials in the 1940s and 1950s.

"This is something that should have happened long ago," Thayer said.

Last week, the Grayling City Council adopted a new ordinance regulating the use of city street right-of-ways, the area located underground and above ground along the side of streets. Thayer said that utility and communications companies want exclusive use of the right-of-ways to limit competition.

Under the ordinance, the city would have

discretion on the use of the right-of-ways and would not give exclusive use to a particular company.

"The city will regulate the rights-of-ways for the best interest of the citizens," Thayer said.

The city is paying \$7,310 to have the ordinances reviewed.

Gaylord man arrested after high speed chase

Continued from Page 1A

in excess of 100 mph.

Swope activated his overhead lights and siren and attempted to stop the vehicle. Stafford attempted to flee on County Road 612, then doubled back and returned to northbound I-75.

Stafford then attempted to leave the inter-

state at the Waters exit in Otsego County, lost control while trying to negotiate a curve and went into the ditch.

The total pursuit covered 20 miles and lasted 11 minutes.

Stafford was arrested and transported to the Crawford County Jail on charges of fleeing and eluding, possession of narcotics, reckless

driving and speeding.

Swope was assisted by officers from the Grayling Police Department, Gaylord Police Department, Otsego County Sheriff's Office, troopers from the Gaylord Post of the Michigan State Police and a Department of Natural Resources conservation officer.

City housing commission to take on expanded role

Continued from Page 1A

around," Thayer said. "These are old properties that, due to a lack of attention, continue to be used and continue to be rented."

The changes for the housing commission's

role are being prompted by an update of the city's master plan and zoning, which is being completed by the Grayling City Planning Commission.

Improving the quality of housing is some-

thing planners would like to see, but they can only deal with zoning and planning issues.

"They can set the stage for changes, but they can't be the real player," Thayer said.

City officials study parking ticket hike

by Dan Sanderson
Staff Writer

Grayling City officials may put the chill on people's pocketbooks in an attempt to enforce winter parking regulations.

The City of Grayling's parking ordinance prohibits on street parking between 3 a.m. and 6 a.m., in order to give Department of Public Works employees time to adequately plow the city streets.

If someone leaves their vehicle

on the street during the early morning hours, it prevents that area from being plowed, and also prohibits use of the surrounding parking spaces, especially in the downtown business district.

Grayling City Police Chief Karl Schreiner notified city residents that officers would begin enforcing the ordinance on Nov. 19.

Grayling City Manager David Thayer said officers have issued several tickets in an attempt to get people to follow the rules. But,

upon reviewing the city's civil infraction codes, Thayer said he learned that the fine for violating the ordinance is only \$5.

The Grayling City Council directed Thayer to review the city's civil infractions to determine if the fees need to be hiked.

"Tickets have to be meaningful, so we can get people to follow the rules," Thayer said. "The winter weather is here, it's here to stay, and we're going to get a lot more of it."

LIBRARY NEWS

The Crawford County Library Literary (CCLL) Book Club is reading "Deception Point" by Dan Brown for January. The book club meets at the Devereaux Memorial Library the last Tuesday of each month at 5 p.m. Interested patrons can join in on Jan. 29 for a lively discussion and light refreshments. If you have any questions, call 348-

A Dance Dance Revolution party is coming to the Devereaux Memorial Library in January. For those of you not familiar with this interactive game by Nintendo, one or two players pick a character and song and battle it out on the dance mat. There is also a karaoke microphone for those daring enough to try both. The suggested age for

this game is 10 years and up, so we are looking to attract some older children and teens. Also, coming in January, will be a kid's cooking program called "Play With Your Food," and a sock monkey sewing event called "Sock it to Me." Sign up sheets will be available at the Devereaux Memorial Library after the first of the year, and for questions, call Jane at 348-9214.

OBITUARIES

Helen L. Crawford
Jan. 10, 1934 - Dec. 15, 2007
Helen Louise Crawford, 73, of Grayling, passed away peacefully at the home of her son, Bob Shepherd in Traverse City, on December 15, 2007.

She was born in Grayling, on January 10, 1934, to Harry W. and Edris E. (Pease) Sorenson. She married Lloyd Crawford on July 15, 1960. He was the joy of her life, as were her children, grandchildren and great-grandchildren.

She enjoyed shooting tournament archery, with her husband and friends, during her many years of employment at Bear Archery. Then she moved on to Crawford AuSable Schools for 10 years, retiring from there in 1995.

She and Lloyd traveled extensively all over the country, including a 1,300 mile motorcycle trip around the perimeter of Lake Superior. Her love for nature and wildlife continued through the years, as she and Lloyd resided on the banks of the AuSable, creating many great family memories, while canoeing and kayaking adventures ensued on the AuSable and north branch. She and Lloyd left miles of worn shoe leather during their daily walking routes together in and around town.

Her generous and serving nature was a blessing, as reflected by the numerous family dinners that she loved to host. She was highly resourceful, organized and believed in the principle to make it last, wear it out and use it up. She had an enormous talent for teaching that something amazing could be made out of the simplest ingredients. Her compassion to "root for the underdog" was also exhibited in her daily life.

She is survived by her children: Terry (Penny) Shepherd, Gary Shepherd, David Shepherd all of Grayling, Bob (Gen) Shepherd, Becky (David) Crawford of Traverse City; siblings: Sandra (Joe) Lowe of Traverse City, James Sorenson of Lovells, Nancy (David) Niederer; sister-in-laws, Dorothy and Joyce Sorenson of Grayling; nine grandchildren; nine great-grandchildren; and numerous nieces and nephews.

She was preceded in death by her parents; brothers, Ed (Marge) Sorenson, Don Sorenson and Lewis Sorenson. No services are planned at this time. A private service will be held at a later date.

Condolences may be sent to www.sorensonlockwood.com. Arrangements made by Sorenson-Lockwood Funeral Home.

Ernest Nye
Oct. 19, 1931 - Dec. 11, 2007
Ernest "Ernie" Peter Marshall Nye, 76, of Roscommon, passed away on December 11, 2007.

He was born in Kalamazoo, on October 19, 1931, to George Howard and Edith Rowena (Plantz) Nye.

He married Mary Louise Carlson on September 26, 1959, in Roscommon.

He had lived in the Higgins Lake area since 1945, moving from Delton.

He attended W.K. Kellogg School in Delton, from kindergarten through the eighth grade, and graduated from Frederic High School in 1951. He lived and worked on a farm from age 11 - 14. He grew and picked pickles, cut and husked corn, harvested navy beans, milked cows, used horses for farming and trapped, cleaned and sorted muskrats.

In 1945, he moved to the north end of Higgins Lake in Crawford County. He worked in the woods cutting pulp and logs using swede saws. He became part of the Skyline Ski and Country Club while still in high school in 1948, worked from part-time to manager in 1972, became majority shareholder in 1976 and operated the business until it was sold in January of 1999.

He served in the U.S. Army during the Korean Conflict.

He was a member of the Calvary Baptist Church, Grayling. He had been a Mason for over 50 years. He was a past member of the Roscommon Masonic Lodge and the Grayling Masonic Lodge. He was president of the Frederic Alumni. He led the Wednesday Bible study at the Crawford County Jail for the last seven years and he loved being outdoors.

He is survived by his wife Mary Lou; children, Carol (Bruce) Boyd of Saginaw, David Nye of Grayling; grandchildren, Jessie Boyd of Saginaw, Danny Boyd of Louisville, Ky.; brothers, Harlan Flutell (Nyla) Nye, Kenneth (Emily) Nye, both of Hastings; sister-in-law, Fern Nye of Mo.; brother-in-law, Don (Norma) Holmes of Fla.; cousins, nieces and nephews.

A funeral service was held on December 15, at Calvary Baptist Church, Grayling, with Pastor Dr. Robert J. Barnett officiating.

Interment was at Gerrish Township Cemetery.

Memorials may be made to Calvary Baptist Church, 6504 W. M-72, Grayling, MI 49838 or Heartland Hospice, P.O. Box 667, West Branch, MI 48661. Arrangements made by Walsh Funeral Home, Roscommon.

Thomas R. Stancil
A funeral service will be held on December 22, at 11 a.m., at Michelson Memorial United Methodist Church.

Gertrude P. Schlernitzauer
Nov. 30, 1920 - Nov. 25, 2007
Gertrude (Trude) Pauline Schlernitzauer, 86, passed away on November 25, 2007.

She was born in Negaunee, on November 30, 1920, to Victor and Matilda Sitala.

She was known as Trude, Momma or simply Grandma to those who loved her.

She married Richard F. Schlernitzauer in 1943, and cherished him throughout their nearly fifty years of marriage.

Together they owned and managed Frank's 5¢ to \$1 store in Lowell, until retiring in 1975. At that time, they moved to their cabin in the sanctuary of the AuSable River in Grayling.

In 1945, Trude's father-in-law first introduced her to the art of target shooting. Due to her Finnish heritage of determination and tenacity, she excelled. She became the first civilian woman to represent the United States at the 38th World Pistol Championships held in Cairo, Egypt in 1962, where she won a bronze medal. Her medal is on display at the National Firearms Museum in Fairfax, Va. At that time, she was one of only two women to hold the International Distinguished Gold Badge for Pistol in the United States. In addition, she was the National Women's Pistol Champion in 1965, 1968 and 1969. In recognition of these accomplishments, she appeared in the popular TV show "To Tell The Truth" in New York City.

She was an honest, faithful and kind person who never had a bad thing to say about anyone. She always tried to do the right thing. Her example of quiet faith, humbleness, generosity and forgiveness is an inspiration to her family and friends.

Although she is now no longer with us, her legacy of love will bless many generations to come.

Her children and grandchildren held a special place in her heart, and she greatly enjoyed spending time with all of them.

She is survived by three children: Jo Ann (Mike) Bousquet, Veronica Lee (Roger) Odell, Dan William (Debby) Schlernitzauer; five grandchildren: Megan Odell, Ryan Odell, Angela (Schlernitzauer) and Joe Kerr, Jordan Ann Small, Dana (Schlernitzauer) and Terry Hendren; five great-grandchildren, including a set of twins: Jacob Kerr, Aaron Kerr and Eden Kerr, Terra Hendren and Lydia Hendren.

A memorial service will be held on January 12, 2008, at 11 a.m., at Vergennes United Methodist Church, Vergennes Township, Lowell.

In lieu of flowers, memorials may be made, in her name, to the USA Shooting Team, 1 Olympic Plaza, Colorado Springs, CO. 80909.

Arrangements made by Gerst Funeral Home, Lowell.

Edith M. Lovely
Feb. 14, 1920 - Dec. 15, 2007

Edith Mae Lovely, of Grayling, went home to be with the Lord on December 15, 2007.

She was born in Crawford County, on February 14, 1920, to Emil and Eva (Kestenholtz) Golnick.

She attended school in Roscommon and Grayling, graduating from Roscommon High School.

She married Leo E. Lovely on June 18, 1938, and they were blessed with 69 years of marriage.

During World War II, they lived in San Francisco, then returned to Grayling to be near their family and friends.

She was well known in the community, during her lifetime, as a devoted mother. She was active in St. Mary's Parish, serving in many capacities and volunteering her services as needed.

She was the director of the Crawford County Selective Service Board and one of her duties was to register the draftees, and with a heavy heart, accompany young men to the bus station on their way to active duty. Before retirement, she also worked at the Crawford County Health Department and could often be found assisting her husband, Leo, in the County Clerk's office.

She had a great sense of humor and compassion of others, using both to encourage and comfort. She lived her life loving her husband, children, grandchildren and great-grandchildren.

She will be remembered for her kind, generous and giving nature.

She is survived by her husband, Leo; children: Julie Ward of San Diego, Calif., Michael (Kathy) Lovely, Kim Lovely, Mary Ruth (Allen) Lowe, David (Carol) Lovely all of Grayling, Marcia (David) Eiters of Jackson; grandchildren: Corinna Coram, Gil Ward, Mick Lovely, Dustin Lovely, Suzan Beattie, Kimberly Lovely, Todd Lovely, Amy Jo Anthony, Nicholas and Darcie Lovely, Phil, Kyrsta, Benjamin, Nathan and Lucas Lowe, James, Sarah and Julie Eiters, Angeanette (Lovely) Zelek, Jonathan Lovely, Adam and Matt Birk; great-grandchildren: Cathrine, Corrina Carston, Caitlyn Coram, Ashton and Parker Ward, Megan and Kaitlin Lovely, Alex Coatney, Eathan Beattie, HallieJane Lovely, Marshall Anthony, Isabel and Jackson Lowe, Cami Leray, Jacob and Caleb Lowe.

In Memory of
Charles Williams
Dad, we thought of you today, but that is nothing new. We think of you in silence and make no outward show. For, what it meant to lose you, only those who loved you would know. Remembering is easy, we do it often. It's the heartache of losing you that will never go away.
Love,
Sharon and Pat

Late three-pointer wins game for Lake City, 45-43

■ *GHS varsity girls basketball squad falls to Trojans, Rayders in home games last week*

The Vikings of Grayling High School had a one-point lead with 13 seconds remaining in last Tuesday's varsity girls basketball game vs. the visiting Lake City Trojans, but Lake

City hit a three-pointer in the final seconds to win 45-43.

The Trojans led 12-8 after one quarter. Grayling trailed 18-15 at halftime. Lake City scored a three-point shot late in the third quarter to take a three-point lead into the fourth period, 31-28.

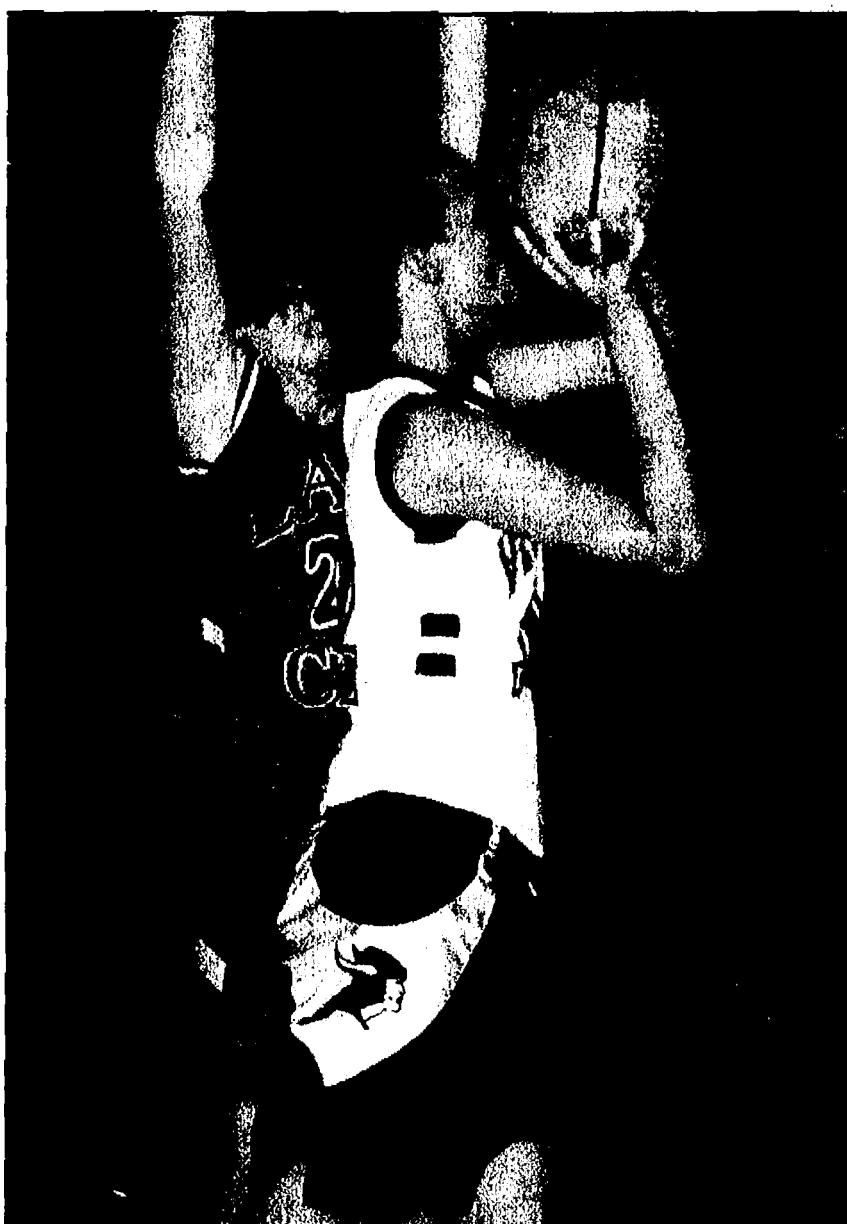

Grayling scored the first basket of the fourth quarter – a

drive by Jessica Bindschattel – to pull within one. A jump shot and two free throws gave Lake City a 35-30 advantage. An inside shot by Laura Boylan cut Lake City's lead to three. The Trojans scored three points on a basket and a free throw to lead 38-32.

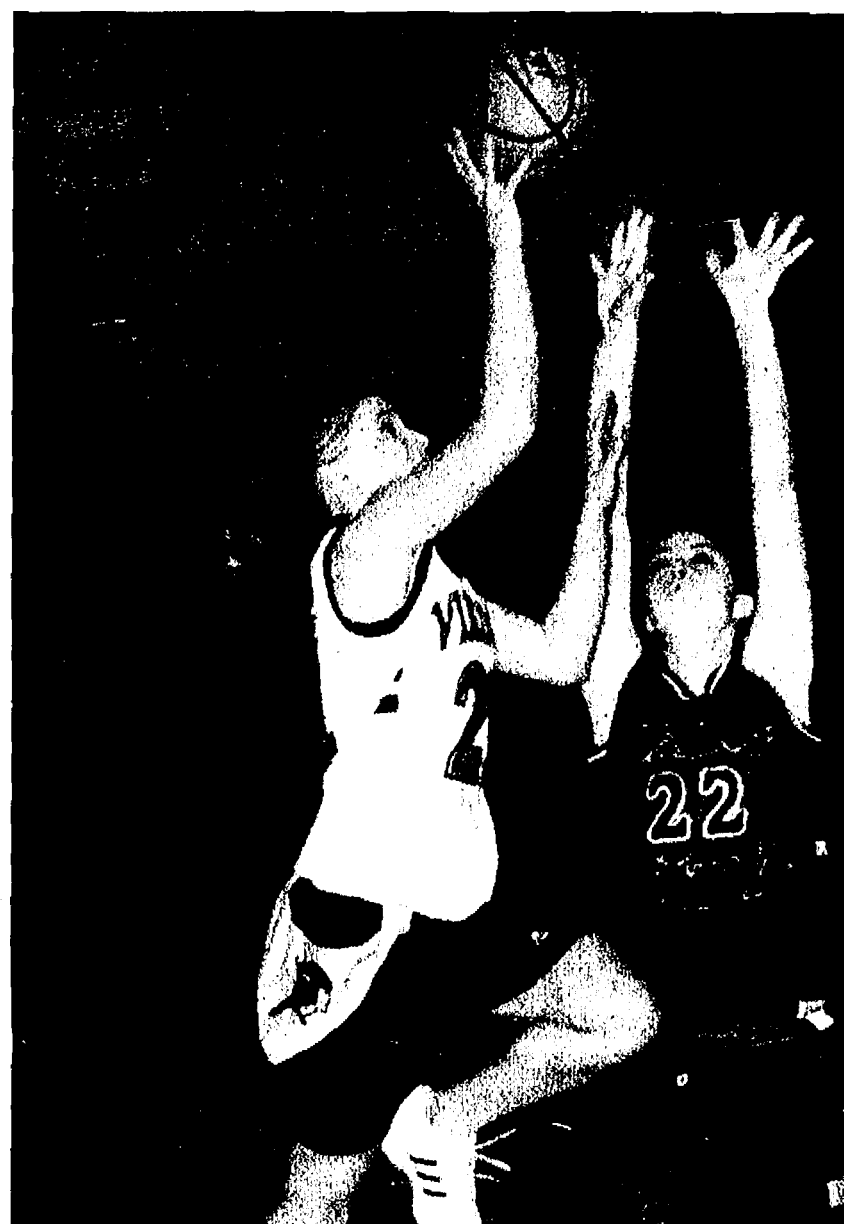

A 5-0 run by Grayling that included two baskets by

Boylan and a free throw by Annie Melroy pulled the Vikings within one, 38-37. Two free throws by the Trojans extended their lead back to three. Free throws by Melroy and Samantha Schreiber cut Lake City's lead to one, 40-39, with 1:28 left in regulation.

■ *Basketball squad defeats Trojans on Tuesday, falls to Rayders on Friday*

The Grayling High School JV girls basketball team defeated the visiting Lake City Trojans 47-39 last Tuesday at GHS.

Grayling led 7-6 after one quarter. The Vikings had a two-point edge at halftime, 22-20. Grayling took a 34-28 advantage into the fourth period and won the game by eight points.

Kirstie Wakeley posted a double-double for the Vikings with 19 points and 12 rebounds. Haley Wiseman had 8 points and 6 rebounds. Mackenzie Harwood had 6 points, 5 steals, and 5 rebounds.

"The girls played a lot more consistently, which kept them in the game early and later allowed us to take the lead before halftime, which was a big mental boost. We won each

■ *Vikings lose to Charlevoix 77-44 in first conference game of the season*

The GHS varsity boys basketball team lost games against the Gaylord Blue Devils and Charlevoix Rayders last week.

On Monday night, the Vikings fell to the Blue Devils 66-51 at Gaylord High School.

Gaylord had a 31-9 lead after one quarter of play. The Vikings cut Gaylord's lead to seven by halftime, 39-32.

"We played our best basketball of the season from the end of the first quarter to halftime. Our defensive pressure was outstanding. We forced turnovers and did an outstanding job of running our transition offense," Coach Rich

Moffit said.

The Blue Devils outscored Grayling 23-12 in the third quarter and had a 62-44 advantage going into the fourth period.

"The third quarter was a real downfall to us – missed opportunities and slow defensive rotations," Coach Moffit said. "We will learn from this game and continue to improve."

Twelve Vikings scored points in the contest: Richard Schreiber (15), Josh Stapleton (9), Spencer Dean (6), Rocky McNamara (4), Ryan Foguth (3), Jacob Aubry (2), Trent Larm (2), Jason Drudge (2), Matt McDonald (2), Ross Teeple (2), Tyler Steffey (2), and Alex Gabriel (1).

Late three-pointer wins game for Lake City, 45-43

Continued from Page 1B

With 47 seconds remaining, Boylan scored an inside shot to give Grayling a one-point lead. Lake City answered with a jump shot to put the Trojans ahead by one. With 13 seconds remaining in regulation, Ashley Feldhauser drove to the basket and scored, giving the Vikings a 43-42 lead.

Lake City called time-out with seven seconds left in the fourth quarter. The Trojans hit a three-point shot with two seconds remaining to take a 45-43 lead. Grayling turned the ball over on the in-bounds play while trying to convert a long pass. Lake City held on for the two-point win.

"We were right where we needed to be -- up by one point with seven seconds left -- and Lake City nailed a three-pointer," Coach Kelly Sheehan said. "We played our best game of the season so far. We dominated the boards with a team-high 49 rebounds."

Boylan shot 12 for 19 from the

field for 24 points and added 9 rebounds and 7 blocks. Jessie Baker had 7 points. Melroy had 9 rebounds and Feldhauser had 7 rebounds.

On Friday night, the Vikings lost a league game against the Charlevoix Rayders 65-19 at Grayling High School.

"The first quarter we played them tough. After that, they continued to score and we missed several opportunities. As a team, we will continue to work on our shooting percentage. Once we can sink easier shots we will be in most games to the end," Coach Sheehan said. "Each game I do see improvements."

Boylan had 8 points, 9 rebounds, and 4 blocks. Rachel Doremire had 6 points, including a 4 for 5 performance at the free-throw line. Feldhauser had 5 rebounds and Schreiber had 2 steals. Bindschatel was 2 for 2 at the free-throw line.

The Vikings (0-6) will play at Elk Rapids on Friday, Dec. 21.

quarter, but in the first two we had to fight back to take the lead, which showed these girls have a lot of heart," Coach Craig Hofman said. "Our guards saw the floor a lot better and we only had 16 turnovers. That is still a lot, but we cut it in about half. Our shooting improved a little, but not turning the ball over as much cut down on Lake City's opportunities. Better defensive play also led to the victory. We forced Lake City to take some tough shots. They hit some of them, but our rebounding was solid and did not give up second shot opportunities."

"With only seven girls available for the game, we unfortunately had two players foul out with about four minutes left. The five girls on the floor did a very nice job of controlling the game. Jessica Zarnick played tough defense and took charge of the ball in the last four minutes.

Kirstie Wakeley had an outstanding game all around and Haley Wiseman really came out of her shell and played with great enthusiasm. All of the girls played a great game."

"The consistency on offense and defense kept us in a flow. We did not go through a low period and then a high. The team kept the game and themselves on an even plane, which allowed us to handle Lake City's high point and take advantage of their low points," Coach Hofman said. "Our free throw shooting improved and made a huge difference in the scoring. Kirstie Wakeley was 11 of 14."

On Friday night, the Vikings lost to the Charlevoix Rayders 76-19 at GHS.

Leading scorers for the Vikings were Wiseman (7 points), Zarnick (4 points), and Harwood (4 points).

"Charlevoix has a very good offensive team. They shot the

ball very well from outside and dominated us on the boards and got way too many second and third opportunities. They played a very good game and we did not. We struggled after the first quarter, turning the ball over on basic passes and dribbling. Again we regressed for a period of time and the Rayders took advantage of that and outscored us 24-5 in the second quarter," Coach Hofman said. "I felt the girls broke the press very well at times, but we could not capitalize on those fast break opportunities. We fell apart even more rebounding. Their size hurt us, but we did not show any enthusiasm in blocking out. This was the first time I felt the team got discouraged and did not play with their whole heart. We again got into some foul trouble and had girls playing out of position to make up for it. We have to be more disciplined on both ends of the floor and we have to react and make

passes and plays when they are available."

"The girls need to play basketball and learn what to do in all situations. We can't have players making the same mistakes over and over again. They need to start taking what they have learned and producing on a more consistent basis. We are not a big team and we need to play aggressively, and that is my job to get them to do that all the time," Coach Hofman said.

Grayling (1-5) will play at Elk Rapids on Friday, Dec. 21, at 6 p.m.

On Thursday night, the Vikings lost their first Lake Michigan Conference game of the year, falling to the Charlevoix Rayders 77-44 at GHS.

The Rayders led 20-14 after one quarter. At halftime, the Vikings trailed 39-23. Charlevoix had a 56-39 lead going into the fourth period.

Leading scorers for Grayling were: Stapleton (9), Steffey (9), Dean (7), and Schreiber (7). Dean had 7 rebounds. Stapleton had 5 steals. Schreiber had 4 assists.

"Turnovers resulted in 43 Charlevoix points. We struggled against the Rayder press," Coach Moffit said.

Grayling (1-2 overall, 0-1 conference) will host Elk Rapids on Thursday, Jan. 3.

with intensity from the opening tip-off.

"During the game it seemed like every time Charlevoix made a run we had an answer. Charlevoix cut the lead to two

points with less than a minute left in the game and Joe Tottingham hit a short jumper for his 27th point of the game. Colin Hamlin hit some clutch free throws down the stretch to seal the five-point victory. Every player contributed to the win," Coach Kucharek said. "Taylor DesEnfants, Wesley Willoughby, Carl Gaff, Shivam Patel, and Adam Wargo gave us good minutes coming off the bench. Joe Tottingham had a career high 27 points and Colin Hamlin had a breakout game, contributing 21 points. This was a nice victory for this team because they lost to

Charlevoix twice last year by 30 points."

"I was extremely proud of our mental toughness during this game. There were several times during the game where we could have folded, but the kids played tough and found a way to win," Coach Kucharek said.

On Monday, the Vikings lost 84-53 to the Blue Devils at Gaylord High School.

Grayling trailed by only seven points at halftime (39-32), but the Blue Devils outscored the Vikings 45-21 in the second half to win the game by 31 points.

Tottingham had 17 points for

Grayling. Johnson had 10 points, Hamlin had 9 points, and Doug Gothro had 7 points.

"We learned a lot during this game. First, we have to come to play in the first quarter. After trailing 31-9, we had an outstanding second quarter and cut the lead to seven points. Second, we learned that we can't always rely on the jump shot. Gaylord beat us to the basket any time they wanted to, while we settled for jump shots that just were not falling in the second half," Coach Kucharek said.

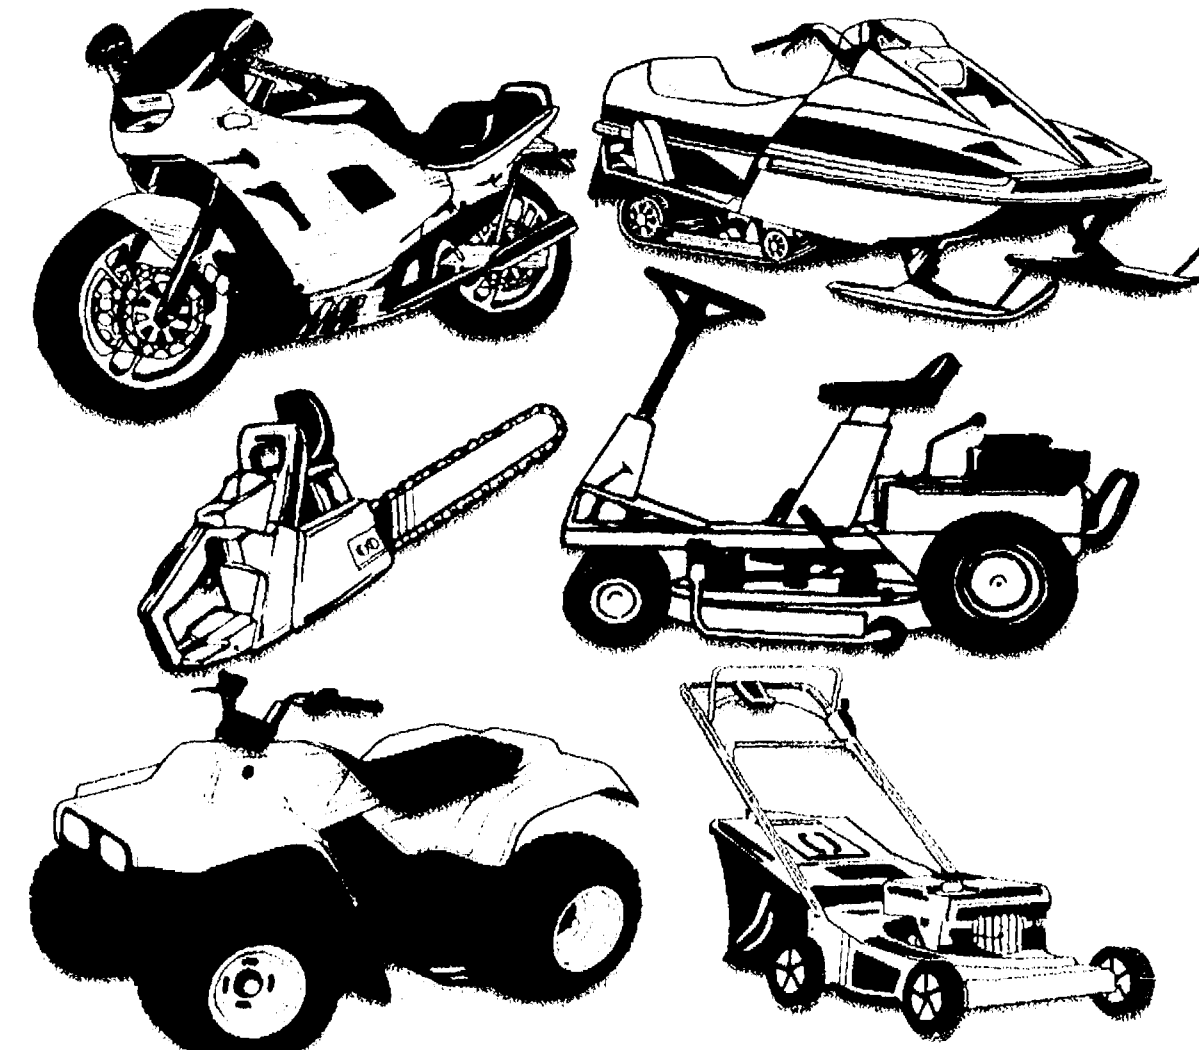

The Vikings (2-1) will host Elk Rapids on Thursday, Jan. 3.

A LOOK AT OUR PAST FROM THE PAGES OF THE AVALANCHE

23 Years Ago
December 20, 1984

Five members of the 1984 girls basketball team for Grayling High School were given all-league honors topping off their championship season. Seniors Kris Laudenslager, Michelle Barber and Erin Jones were named to the first team all-league and senior Heidi Derenzky and sophomore Michelle Moore were named to the second team. Laudenslager was second in the league in scoring and led the league with an outstanding 15.4 rebounds a game average. Erin Jones was 10th in the league in scoring and Michelle Barber was 13th.

Both middle school proposals were defeated by Crawford AuSable School District voters in a special election. A total of 2218 went to the polls in Grayling, Frederic and Lovells representing about 23 percent of the more than 9600 registered voters in the district.

Injuries knocked out state qualifiers Ron Wyman and Barsie Cross and prevented Grayling from winning its straight fourth wrestling match. Grayling, with six freshman in the line-up, defeated St. Ignace 45-18 but lost to Gaylord 39-22. Two weeks ago, with Wyman and Cross wrestling, the Vikings whipped Gaylord 45-21. Head coach Don Ferguson said his young squad is

trying to pick up the slack for the injured wrestlers, but they've run into stiff competition.

Five sites in Crawford County were listed in the second annual DNR proposed priority list for contaminated sites. One site in Beaver Creek Township, along Seven Mile Road, ranked 45th out of 291 sites in group 1, the most seriously contaminated sites. The contamination comes from two pits containing residuals of propane gas. The waste was reportedly disposed on the state land with a land use permit by Modular Engineering, at a time when the state and the company believed that there would be no problems from the propane gas residuals. The other four sites in Crawford County were ranked in group 2 as less dangerous.

Building permit fees for most of Crawford County will increase beginning January 1, 1985. The Crawford County Board of Commissioners voted 5-1 to raise fees in nine of ten construction categories. Bruce Jones, building and zoning director for Crawford County, says the increased rates are still below what the state charges. He said if the county didn't offer the service, the state would step in.

Boys playing for the Grayling Vikings J.V. basketball team this year are: Randy Friar, Jeff Palmer, Jeff Wolcott, Wayne

Casler, Dave Somerville, Todd Klinger, Jason McEvers, John Schilbe, Keith Whaley, Todd Hull, Jeff McClellan and Tom Bacon. They are coached by Tom St. Germain, one of the winningest varsity coaches in northern Michigan.

The nominating committee of Mercy Hospital reported their recommendations of staff officers for the year 1962. Dr. Paul Dosch was named Chief of Staff and Dr. George E. Kieler, of Roscommon, was named Vice-Chief of Staff and Secretary.

Peanut and Jumbo basketball leagues have been set up at the high school under the direction of coach Fraser Dean. He is being assisted by some of the fathers. The peanut league is six teams made up of 5th and 6th grade boys. The jumbo league also has six teams made up of 7th and 8th grade boys.

The Frederic Eagles basketball team split in two games last week defeating Mio at Frederic 45-44 and losing to Rapid City 59-36.

Only three lakes in Crawford County are open for the taking of rainbow trout through the ice during December, January and February. They are Bright and Glory and Shupac Lakes. The fishing must be done through the ice.

Frank Gross was dropped off Saturday at his house, on the return trip from the Soo, where the Central Michigan junior varsity basketball team played the

night before. Frank has seen action on the J.V. team several times this year. He is home for the holidays.

December 22, 1938

Clarence Kaine, George Charlo and Ben Garland of Beaver Creek, left Thursday for Detroit where they will construct a log cabin for the Roscommon Log Cabin Co.

Fire evidently started from an over heated furnace and ruined the building housing the Grayling Funeral Home. It is estimated that the loss amounted to about \$2,000. However, both buildings and contents were covered by insurance.

Robert LaMotte and Stanley Madsen have been doing a fine business in Christmas decorations, both in stores fronts and home decorations.

Earl Dawson has taken the pool and billiard tables out of the back room at the restaurant and will install dining tables for ladies.

DeVere Burgess has a fine new electric sign erected on the outside of his billiard parlor.

The local schools closed Wednesday for the holiday vacation and the pupils were instructed to return January 10 and report to the new school building. It is with extreme pleasure that the pupils and teachers receive this notice.
